

Turn 1

The Screws kicked it off as the Orcs began to push forward on the left. Splatta crunched into Armie and pushed him back again and again in a frenzy. Gwapstik blitzed through the gap and knocked out Maximus Max, leaving the wing wide open. Wagrut picked up the ball as Grot Throttler forced Mack to the floor. The Rat Ogre wasn't having any of it. He lept back to his feet and floored the Troll.

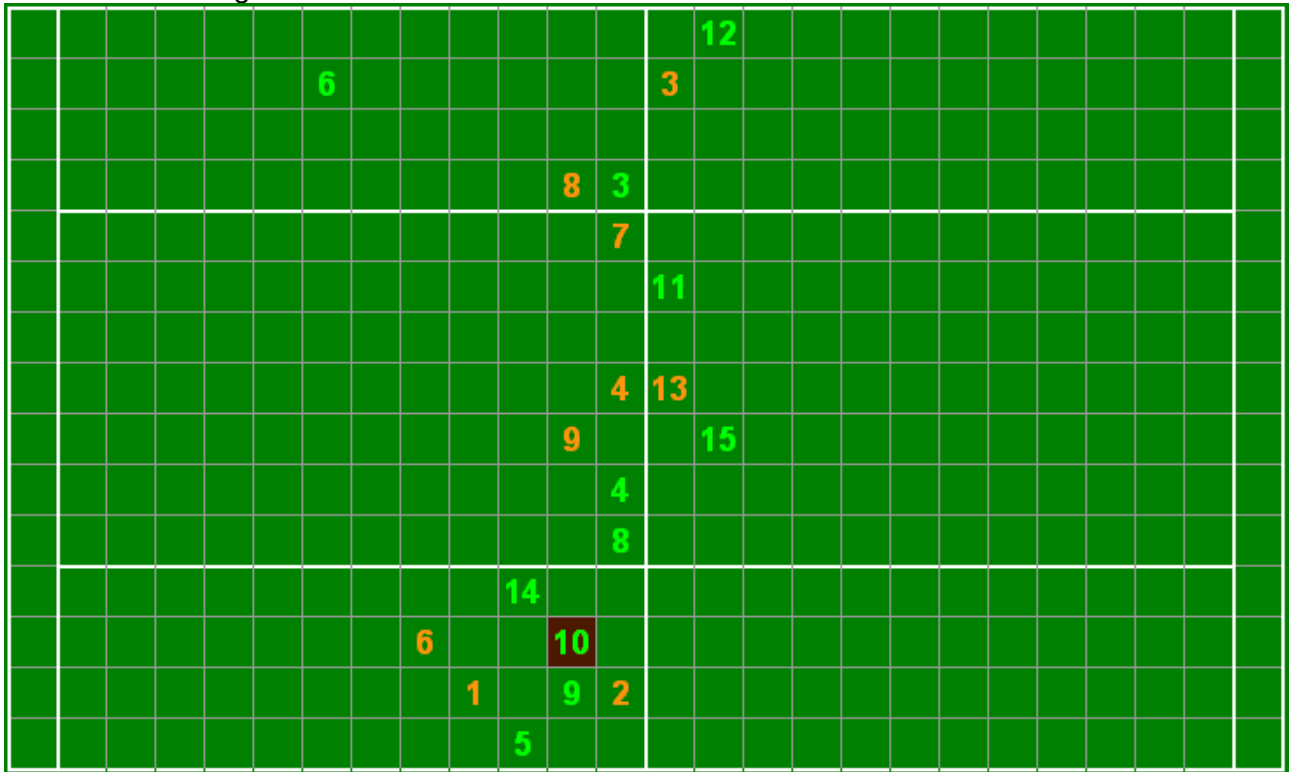

Turn 2

The Orcs pushed further forward as Mgrue ran across to help Skunk try and contain them. Skunk tried to get through to Wagrut but found his path blocked by Gwapstik. In the middle a huge brawl opened up. Mack again pushed Granite to the floor as Zobba stunned Bob.

Turn 3

Splatta again built up a frenzy, managing to push Armie into the crowd. Zobba spiked Bob, but only stunned him further. The Orcs began to get a bit mixed up, as Mighty Monkey ran over to help Mgrue knock down Ug. With Granite and both Black Orcs also being knocked down, it seemed the Orcs were faltering.

Turn 4

Trying to get to Wagrut the Screws swamped the Orc flank. Wagrut suddenly found himself staring into the ugly faces of Unlucky Mack and Flib The Squib. Flib decided to hit Nigglar instead, and managed to stun him with his mutated claw. On the other wing Samuel South was clattered by Reg and Zobba.

Turn 5

Reg, Zobba and Splatta came running across to the Orc left wing to try and help. Wagrut managed to defend against Mack and Flib, then handed the ball to Gwapstik as Kragg stunned Mgrue. The Star Blitzer was about to show the other Orcs how it was done, until Mighty Monkey flattened him with Knutt's Spell Of Awesome Strength. The ball scattered, bouncing off Kragg's head and landing next to him.

Turn 6

The Orcs finally got it together and moved in, forcing the Skaven away. Gwapstik jumped up and knocked Mighty Monkey down. Wagrut again managed to gather the ball as Kragg hit Skunk and seriously injured him. Mack ignored Granite and frumped Splatta, but Flib fell trying to dodge and stunned himself.

Turns 7&8

Granite got his hands on Mack and pushed him into the other Orcs surrounding the area. Ug managed to knock the Ogre down with 4 assists. Gwapstik again hit Mighty Monkey to the floor as Wagrut made a break for the endzone and the first touchdown. 1-0 to the Stompers, and the end of the first half.

Second Half Setup

Turn 9

The second half kicked off and the pitch erupted into several small fights. Maximus Max tried to pick up the ball but he fumbled it. The Stompers capitalised on their 2-player advantage as Biffa,

Nigglä and Ug stunned Mack. Splatta and Zobba managed to find a way through the Skaven line and set off to threaten Max.

Turn 10

The Screws decided on a daring play. Max picked the ball up and handed it to Armie, who ran into the Orc half with only Flib as support. Nigglä and Ug tracked back and pulled the Mutant down, and Nigglä retrieved the ball.

Turn 11

Samuel South ran into the Orc half but fell trying to move further. The Orcs built a square around Nigglä, as Zobba knocked out Max.

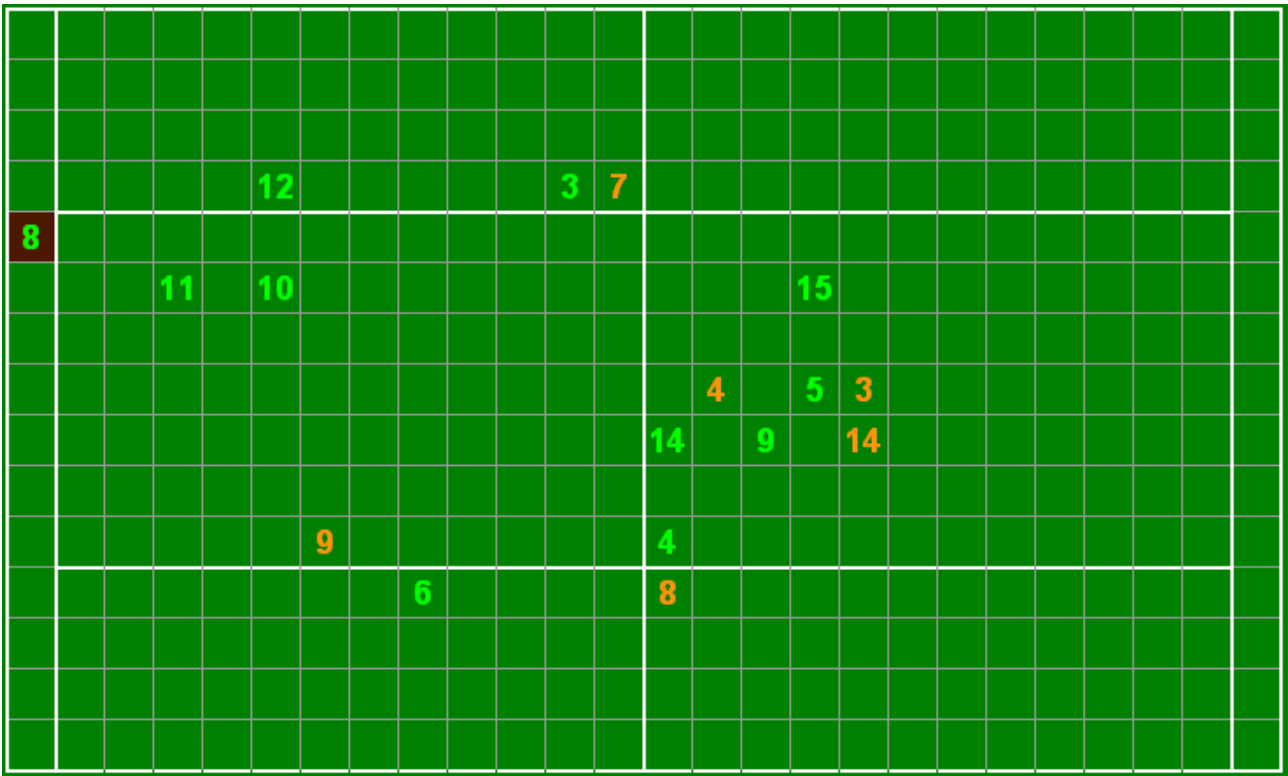

Turn 12

The Orc square moved forward as other players held the outnumbered Screws at bay. Granite ran (???) and crunched into Mack, knocking him out.

Turns 13&14

Bob tried to dodge away from Granite but failed and bit the dust. The Orcs advanced easily against the 6 opposing players. Desmond attacked Boffa but was forced back. Fart Face dodged away from Splatta, but couldn't catch Nigglas as the Orc ran through for the Stompers' second of the day. 2-0!

Turns 15&16

Fart Face managed to catch the ball from the kick off and ran up the wing as Niggla chased back. The Orc Lineman forced him off the pitch and into the crowd. The crowd threw the ball back and it landed in the middle of the Stompers' half. But before anyone could stop it, a familiar looking black and white dog ran onto the pitch and grabbed the ball. Coach Stebloke ran onto the pitch brandishing a big stick and chased the dog away. The ball ended up right in the far corner of the pitch. Completely oblivious to the ball, Gwapstik frumped Samuel South and seriously injured him. That was it and the ref blew his whistle. 2-0 to the Stompers.

After The Game Stuff

Maximus Max and Biffa Bonebreaka picked up the MVP awards, and Biffa learnt the Jump Up skill.

Doogle sacked Samuel South and hired Moot to replace him.

Scribblinz Of An Orc

I'm glad I've got that out of the way. 4 o'clock til half 9 playing Blood Bowl and writing maps and notes. Still, I'm fairly pleased I came away with such a comfortable victory. There were a few shaky moments in the first half, but the ladz kept things mainly under control. How un-Orcy.

Doogle did have a lot of shitty luck during the game, and in the last few turns seemed more interested in going to sleep.
